

4th ANNUAL DO IT FOR DECLAN 5K and FUN RUN

Declan is 11 years old, and we are in a race to save his life. Sanfilippo syndrome is a rare and terminal condition in children. Imagine **Alzheimer's** and **dementia**, but **in children**. It is a rapidly degenerative disease. It causes children to lose all the skills they have gained, suffer seizures, movement disorders and dementia, experience pain and suffering, and then die, often in their teenage years. There is currently **no FDA-approved treatment or cure** available.

We invite you to participate as a sponsor of **4th Annual Do it For Declan 5K and Fun Run**, which will benefit the **Cure Sanfilippo Foundation (Cure SFF)**. Cure SFF's mission is to advocate for patients and fund life-saving research to develop treatment options for Sanfilippo syndrome.

Please help us support the event in Declan's name by becoming a sponsor. Your sponsorship will not only help defray costs of the event but any remaining funds from your generosity will go directly toward our **fundraising goal of \$20,000**. We humbly ask if you would consider helping us in our mission to save all children, including Declan, diagnosed with Sanfilippo. All contributions are tax deductible.

The event will be held on **December 13, 2025** at **Founders Park** in **Wylie Texas**.

Your contribution helps by:

- Promoting your brand
- Receiving recognition within the Dallas/Fort Worth area
- Making a positive impact on the rare disease community
- Raising awareness for Sanfilippo
- Supporting research for a cure

Thank you in advance for your consideration.

Sincerely, The Sink Family and the Cure Sanfilippo Foundation

Declan, age 11

Contact [Katharine Sink](#) if you have any questions at doitfordeclan@gmail.com.

The Cure Sanfilippo Foundation is a 501(c)(3) organization | curesff.org | curesff@gmail.com | Tax ID: 46 – 4322131
